

**IMPROVING QUALITY OF LIFE FOR SENIORS BY ENABLING
ANY STANDARD TV TO BECOME A SIMPLE-TO-USE SENIOR HUB**

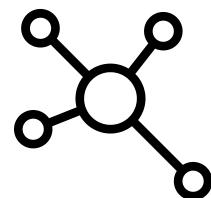

PROBLEM

These seniors don't have access to digital tools that are very common for us, and thus have to settle for a lower quality of life.

Limited/no access to:

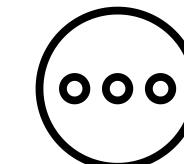

(Tele-)communication

Remote connections

Telemedicine, Therapy & Prevention

Other

Enhancing the TV-set

- Based on a known and trusted device
- No/little resistance to usage.
- The biggest screen in the house.
